To whom it may concern

It is with great pleasure that we share the exciting news that our Moorooka State School Fete will be held on **Saturday 27 July** from **12:00pm to 6:30pm**.

The program will feature a fun-filled day for the entire local community, with students, staff and parents showcasing our vibrant school and our shared values below.

In 2024 our P&C fundraising and fete efforts will target much-needed upgrades for our school hall.

As the central hub, the school hall hosts weekly assemblies, arts performances, academic challenge events, sporting activities, local community hire and wider community events.

To ensure it continues to cater for our growing school and community event opportunities, it requires the following key improvements: an audio-visual system, projectors and screens.

You can play a pivotal role in making this upgrade a reality. Your support is greatly appreciated.
